About Us

HEBEI W.T FASTENERS CO., LTD.

HEBEI W.T FASTENERS CO., LTD. (WTFasteners) is a source factory in Yongnian, Handan — China's largest fastener production base, home to over 65% of the country's fastener manufacturers, with the most complete supply chain and the most competitive prices nationwide.

We produce standard and non-standard fasteners — screws, bolts, nuts, washers, anchors and custom metal parts — as well as fastener production equipment such as wire drawing machines and cold forging machines.

With 20+ years of manufacturing experience, in-house production lines, strict quality control and factory-direct prices, we serve wholesalers and importers across Africa, the Middle East, Southeast Asia, South America and beyond.

OEM / ODM: custom fasteners made to your drawing or sample.

Our Vision

To become a global leader in the field of fasteners, with meticulous quality and innovative technology, to secure every connection in industrial manufacturing.

Self-Drilling Screws

Fast & Strong | Corrosion Resistant | Wide Application

Combined Washer Self Drilling Screws

Standard: DIN7504(T)
Size: 6# 7# 8# 10# 12# 14#
Length: 19MM - 300MM
Coating: Zn.&G.I / Dacromet / Ruspert
Etc.
Etc.

Wafer Head Self Drilling Screws

Standard: DIN7504(T)
Size: 6# 7# 8# 10#
Length: 13MM - 100MM
Coating: Zn.&G.I / Dacromet / Ruspert
Etc.

CSK Head Self Drilling Screws

Standard: DIN7504(P)
Size: 6# 7# 8# 10#
Length: 13MM - 100MM
Coating: Zn.&G.I / Dacromet / Ruspert

Self-Tapping Screws

Sharp Thread | Strong Hold | Reliable Quality

Drywall Screws

Standard: DIN18182

Size: 6# 7# 8# 10#

Length: 13MM - 100MM

Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Pan Head Self-Tapping Screws

Standard: DIN7981

Size: 6# 7# 8# 10#

Length: 13MM - 180MM

Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Chipboard Screws

Standard: DIN7505

Size: 4# 6# 7# 8# 10#

Length: 13MM - 100MM

Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Nylon Anchor Screws

Size: 4# 6# 7# 8# 10#

Length: 13MM - 180MM

Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Concrete Nails

Strong Fixing | Durable | Suitable for Various Materials

Concrete Nails

Standard: GB/T27704
Size: 6# 7# 8# 10#
Length: 13MM - 100MM
Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Pipe Clip

Standard: GB/T27704
Size: 6# 7# 8# 10#
Length: 13MM - 180MM
Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Cable Clip

Standard: GB/T27704
Size: 6# 7# 8# 10#
Length: 13MM - 180MM
Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Special Clips (Customizable)

Standard: GB/T27704
Size: 4# 6# 7# 8# 10#
Length: 13MM - 180MM
Coating: Zn.&G.I / Dacromet / Ruspert Etc.

Anchors

Solid Fixing | Safe & Reliable | Multiple Options

Drop-in Anchor

Material: Carbon Steel
Size: M6 - M20

Sleeve Anchor

Material: Carbon Steel
Size: M6 - M20

Wedge Anchor

Material: Carbon Steel
Size: M6 - M30

Concrete Screw Anchor

Material: Carbon Steel
Size: M6 - M30

Hex Bolts & Nuts

High Strength | Precision | Long Service Life

Steel Hex Bolts

DIN933/931, GB1228,
ASTM-A325, DIN990, DIN
EN 14399

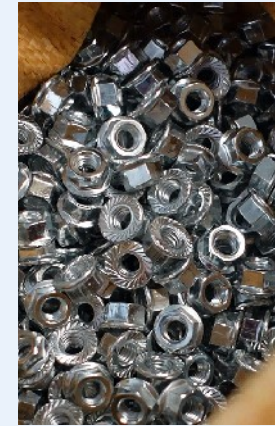

Size: M12 - M36

Hex nuts

DIN934, GB/T6170,
ASTM-A563, GB/T1229,
EN14399-3,ISO4032

Size: M6 - M20

Flange Nut

Standard: DIN6921

Size: M6 - M20

Nylon Lock Nut

Standard: DIN985

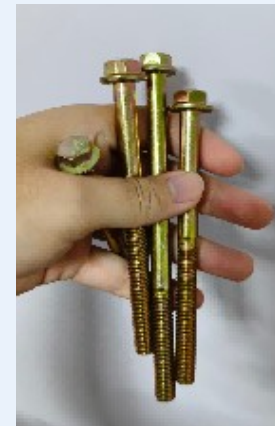

Size: M6 - M30

Socket Head Bolt

Standard: DIN912 ISO 4762

Size: M3 - M24

Flange Bolts

Standard: DIN6921

Size: M6 - M20

Washers

Better Connection | Reduce Friction | Prevent Loosening

Flat Washer

Standard: DIN125

Size: M3 - M30

Material: Carbon Steel / Stainless Steel

Spring Washer

Standard: DIN127

Size: M3 - M30

Material: Carbon Steel / Stainless Steel

Fender Washer

Standard: DIN9021

Size: M3 - M30

Material: Carbon Steel / Stainless Steel

Square Washer

Standard: DIN436

Size: M6 - M30

Material: Carbon Steel / Stainless Steel

Additional Fasteners

More Choices | Meet Your Different Needs

Machine Screws

Standard: DIN84 / 85 / 964
Size: M1.6 - M12
Material: Carbon Steel / Stainless Steel

U-Bolt

Standard: DIN3570
Size: M6 - M30
Material: Carbon Steel / Stainless Steel

Eye Bolt

Standard: DIN580
Size: M6 - M30
Material: Carbon Steel / Stainless Steel

Anchor Bolt

Standard: DIN529
Size: M6 - M24
Material: Carbon Steel / Stainless Steel

Metal Products & Custom Parts

OEM / ODM | Special Design | Customized Solution

Rivets

Size: 2.4 - 6mm

Material: Aluminum / Steel

Threaded Rod

Size: M6 - M36

Material: Carbon Steel / Stainless Steel

Studs

Size: M6 - M36

Material: Carbon Steel / Stainless Steel
